

# 海 sea course コース

We will see the traditional Japanese method of making dried fish.  
You will feed fish on a fishing boat and learn about the Japanese fishing industry.  
(Maybe you can eat sashimi, too!)

い  
ざ  
、

# 山 mountain course コース

We will climb Tengura mountain via the world heritage Kumano Kodo Magose-toge Pass. The ancient stone pavement is very beautiful and the view from the top of Tengura mountain is very nice.

紀  
ノ

From the afternoon, we will also play the Cubb Sports by using owase cypruss and try Manufacturing Experience.
