

Pacific Region Online Health Care Seminar

Monday, March 7, 2022, 9:00 – 12:00 (JST)

This seminar will be held with the full cooperation of JICA as an international exchange project by PALM&G (Pacific Islands Leaders Meeting and Governors). We look forward to your participation.

1. Objective

The seminar aims to provide an opportunity for Pacific island countries and Japanese local governments to share their knowledge and experiences on common issues in the field of health and medical care, and to contribute to the resolution of their respective problems.

2. Seminar platform and language: Online, English and Japanese (consecutive interpretation)

3. Target participants

Local governments:

PALM&G members, other health and medical institutions, etc.

Pacific Island countries:

Ministry of Health, national hospitals, other health and medical institutions, embassies in Tokyo, JICA overseas offices, etc.

4. Registration (Deadline : Friday, March 4, 17:00 JST)
