Bill : Hello, Aya. Please look at this picture of my dog. This is Lucky.
Aya : How cute! Your dog looks nice in the spring flowers.
Bill : I took this picture in Nagano last Sunday. My father and I went there with Lucky to see my grandmother and stayed at her house for two days.
Aya : Do you often visit her?
Bill : We usually visit her every month, but I couldn't see her last month because I was sick. During the next winter vacation, we're going to stay there for a week.
Aya : Do you have any plans there in winter?
Bill : I will ski with my grandmother. She is good at skiing. When I was a child, she taught me how to ski.
Aya : How nice! I have never skied before. I want to ski someday. Yesterday, I saw a picture of a skiing dog on a website.
Bill : Really? Lucky doesn't like playing outside in winter. Lucky usually stays in a warm place at home.
Aya : That's interesting. I thought all dogs like playing outside in winter.
Bill : You're interested in dogs. Do you like dogs?
Aya : Yes, but I don't have a dog. I love other animals, too. I want to be a vet to help animals in the future.
Bill : What a wonderful dream! Can you help my dog when you become a vet in the future?
Aya : Of course, yes. But I need to learn more about animals.
Bill : What are you doing for your dream?
Aya : Well, I usually read books about animals and I also study all subjects hard every day. I'm good at math, but I need to study science very hard.
Bill : I wish I were good at math. Why don't we study together in the city library this weekend? Actually, my favorite subject is science, so we can help each other.
Aya : That's a good idea. Maybe my sister can help us. She is a university student and good at both math and science.
Bill : Sounds nice. I'm looking forward to meeting her.
