

# We are accepting design ideas for the Mie Yotsubagasaki Junior High School emblem and mascot character!

The Mie Yotsubagasaki Junior High School, a Night Junior High School for diverse learning which will open in April 2025, is currently accepting designs for its school emblem and mascot character to be used in promotional activities. We welcome submissions from everyone!

- **Application period: May 24th , 2024 ~ July 31st, 2024 (same day post is valid)**
- **Application requirements: Anyone is welcome to apply (we will accept multiple applications from one person and group applications)**
- **Design conditions / Precautions**

## 《Emblem Design》

- Should represent the school's name and image
- Include a written explanation of the inspiration and meaning behind the design
- Designs can be multicolored or monochromatic, but the design should be such that it could also be printed in monochrome.
- Do not use gradation or blur effects
- Should be easily recognizable even at a very small size

## 《Mascot Design》

- Should be an appealing and lovable character that represents the school
- Must include a full body design (front facing)
- Characters must be in color. However, they should also look appealing even if printed in monochrome.
- Please provide up to three suggested names
- Please include a quick explanation for the character's name and design

\* Designs must not infringe copyright laws or any other legal protections given to other works. By submitting your design, you agree to give the Mie Prefectural Board of Education all rights to your design / character.

\* Any costs incurred while creating or submitting your design or mascot will not be compensated.

## What kind of school is “Yotsubagasaki Junior High School”?

\* Opening inside the school grounds of the Mie Prefecture Mieyumegakuen High School.

the inspiration  
behind the  
school name

We hope that our students, who begin their education with us as budding scholars, will graduate from our school in full bloom, like a four leaf clover.

Our school's  
goals

### We aim to be a school where every student's wishes can bloom and grow

- A school where, regardless of students' ethnicity, age or learning experiences can enjoy learning, and grow to challenge themselves to accomplish their dreams and hopes.
- A school that will grow students ability's to accomplish their dreams and hopes, through diverse study and experiences in an environment they feels safe.
- A school where, through connecting and acknowledging, talking and learning with each other, a student's vision for their future can grow.

Technology) home page.

## ○ How to Apply

- Applicants can submit their design either through filling out the paper application and submitting it in person or by mail, or they can also submit the online response form.
- When submitting your design online, you must attach either a JPEG, PNG or GIF file of your design. You can also draw your design on a piece of paper, take a photo of it, and attach the photo to your form for submission.
- ※ You will be notified and receive an award if your character or design is chosen. In the case of the mascot character, it is possible that your proposed character design will be chosen but not your proposed character name, or vice versa.
